

# O'Phee Trailers Stand no: 63

LOCATED IN THE SUBURB OF ROCKLEA IN BRISBANE, PRIVATELY OWNED AUSTRALIAN COMPANY **O'PHEE TRAILERS** IS OWNED AND MANAGED BY MICK AND SHARON O'PHEE, WHO BRING WITH THEM OVER 40 YEARS' EXPERIENCE IN THE INDUSTRY.

Together Mick and Sharon have established a reputation for excellence through their commitment to high quality production. At O'Phee Trailers, new techniques and technologies are always being sought to help them stay on top of their game. Not only is O'Phee Trailers a one-stop shop for trailer production – from design through to the finished product – it is also dedicated to offering high-level industry performance, reliability and excellent customer service. "It comes at no surprise that up to 80 per cent of our work is for repeat customers. It is the commitment to quality at O'Phee Trailers that keeps our customers coming back time and time again for all of their trailer needs," Mick says. "Every job that comes through at O'Phee Trailers is assigned to a team of technicians who work together on the job from beginning to end, thus ensuring high quality is maintained every step of the way." O'Phee Trailers offers a range of trailers

## In the last Brisbane show in 2007, O'Phee Trailers won the Outstanding Trailer/Vehicle Body Display Award for its stand.

likely to suit most clients, yet has the added flexibility of being able to customise a design to suit any special needs. As well as the O'Phee brand of products, Mick and Sharon also act as distributors for Hamelex White. This year O'Phee Trailers will be back at the 2009 Brisbane Truck and Machinery Show and if the company's previous exhibits are anything to go by, then its stand is likely to be a treat. In the last Brisbane show in 2007, O'Phee Trailers won the Outstanding Trailer/Vehicle Body Display Award for its stand, which featured a range of O'Phee trailers, including a retractable skel comprising one of the most advanced retracting and locking systems in the market. The display also included the latest flat top and drop deck flat top

B-Double, as well as a Hamelex White three-axle dog tipper. This year, O'Phee Trailers will be located at Stand Number 63 and will be displaying another sample of the impressive O'Phee product range. While Mick and Sharon are remaining tight lipped about what they have in store for this year's display, one thing's for certain – it's sure not to disappoint!
